U. S. OSTWAL INTERNATIONAL SCHOOL

A Day cum Residential CBSE Affiliated Sr. Sec. School (10+2)
(Streams : Science, Commerce, Arts & Agriculture)
Affiliation No. 1730924

OUR VISION

Global Perspective

At USOIS, our aim is to empower our students to acquire knowledge with proper demonstrating and articulating skills in near future. We assure and acknowledge their lifelong global success and prosperity.

Academic Excellence

As an ideal residential school, U.S. International School children are learning tolerance, adaptability, self-motivation, empathy towards others, and fellow feeling, in a unique ambience. With our rigorous curriculum and co-curricular academics we insure hundred percent of our learners academic potential.

Character Development

We set examples towards student's strong moral values, and ethics. We put all our efforts to inculcate the values of discipline, diligence, and dedication as a mark of excellence. Our guidance ensures their independent thinking and decision making. We are ahead to fulfill their passion with love and respect.

ACADEMIC PROGRAMS - (CBSE Board)

PRIMARY SCHOOL (Nursery to Class V)

We focus on multiple aspects of a child's absolute and healthy growth, following specific, measurable, achievable, relevant, and time-bound goals framework, where parents and educators can create clear, structured, learning objectives that help children thrive with communication, physical and mental development, social connections, literacy, numeracy, knowledge and imagination.

MIDDLE SCHOOL (Class VI to Class VIII)

The child steps into a new phase, from a protected zone to a responsible area. Special care is taken at this stage for their personality development. We care about their emotional feelings, value their little efforts, encourage to express their ideas freely, and to communicate without hesitation.

We start our journey from here to a greater sphere with integrated and ethical co-operation to make positive contributions towards a healthy society.

HIGH SCHOOL (Class IX to XII)

The CBSE curriculum followed by prescribed syllabus at this stage are exposed to a wide spectrum of knowledge, Project work, Audio-visual classes, Hands-on experience, Educational trips, Group discussions, enhance our students' learning. For the first time senior students of Class X and XII prepare themselves for their major board examinations of their life. The students are provided

with a scholarly and yet a stress-free environment at school with adequate guidance, and opportunities to excel in the field of academics. Specialized courses are prepared for their perspective careers which they wish to pursue in future.

State-of-the-Art Facilities

Advanced Laboratories

We provide highest level of modern techniques & technology in Science streams with Physics, Chemistry, Biology, Math & Computer Laboratories. Besides, there are facilities of Language labs along with the Humanities subjects excessively. Hands-on learning give our students cutting-edge advantages in terms of exploring knowledge and skills.

Extensive Library

Library is the foundation of every school. USOIS is flourished with a huge collection of eminent writers fictional and non-fiction books. Our school holds subscription of 35 Periodicals & Magazines. School children are enjoying their Library time after the Class hours. They have an open access on holidays too, mentioned in the school system.

Sports Facilities

USOIS encourage its students to continue with their off time passion for Outdoor Sports - Volley ball, Basketball, Football, Shooting range, kabaddi, Badminton, Horse-Riding, are played in well-equipped playgrounds and Indoor games like Taekwondo are also trained with specialized trainers. We train students in Swimming in our Semi-Olympic Swimming pool. All specialized sports are handled by our esteemed sports teachers with their Stunning and breathtaking perseverance.

Technology Integration

Smart Classrooms

Our smart classrooms are developed and well designed with Interactive Learning Modules. We made learning more engaging and enthusiastic through eye-catching videos and animated movies. Through our smart classes the challenging and innovative structured curriculum is made easy for our learners to achieve their goals independently.

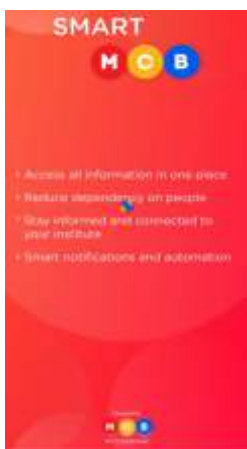

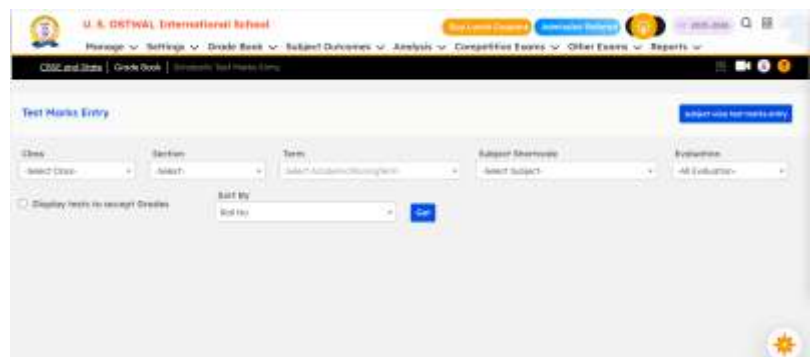

Audio Visual Lab

LCD Projector, Computer, Flashcards, Pictures, Maps, Language labs, are available learning Aids for clear understanding and integral part of our Educational program.

Our School ERP system

We have a software that helps us in Organizing & Streaming of our core educational process which provides a single point access. Parents can connect from anywhere to track their wards academic records and personalized information if they wish.

At Your Reach

The school has also developed a Mobile Application that parents can download on their mobile phones and hence stay connected with the school effectively and easily. Parents can also post any query to any teacher online which is replied to promptly by the concerned teacher. Parents and students stay updated about the latest activities in school with the help of E news, Image Gallery, newsletters and other facilities. They share their knowledge and views with other parents and school through various features like Articles and Forums.

Language Programs

The Milieu of Speaking English

Our learners language proficiency is administered by trained Teachers through 4 language acquisition skills – Listening, Speaking, Reading & Writing. Students are guided in Accuracy, and Fluency through appropriate topic based English speaking interactive classes, elocution, and conversations with peers.

English Communication Classes

To improve verbal communication and fluency we initiated Communication classes with the help of Professional language trainers. We Motivate our students for an effective, clear, and concise expertise in speaking. Many of our learners are confident Public speakers presently, who are actively participating in debate, storytelling, and anchors.

Hindi & Sanskrit Language

Comprehensive study of our Official Hindi language is taught with utter care by our learned Hindi teachers. We also introduced at Middle School level Sanskrit as a third language. Our students are well connected with their roots proficiently and culturally through these

EXTRACURRICULAR ACTIVITIES

Art and Craft

In our Art & Craft classes our students are taught a variety of drawing, sketching, water – coloring , oil- painting etc. They taught to showcase their creative art work including clay Modeling ,Paper Cutting and Folding Flower making, decorative items, best out of waste etc.

Dance

Dance education aids the development of kinesthetic intelligence, creating opportunity of self expression and communication. We offer regular dance classes where students learn different dance forms like semi-classical, classical, western dance forms etc . as per their choice.

Debate and Public speaking

Enrolling kids in debate and public speaking is one of our prime concern which can make our students not only more confident and articulate speakers, but they arch effectively, and communicate their ideas persuasively. Additionally, debate and public speaking training can help children develop important life skills such as leadership, teamwork, and problem-solving.

Community Service

Our school support community development through a variety of strategies and techniques. Schools primarily contribute to community development by teaching students the value of civic engagement.

Music

Our music classes serve as a platform for creating Tiny musicians of all genres and skill levels. Students learn to play instruments like keyboard, drums, Congo, guitar etc.

SCHOOL CLUBS

Clubs at our school enhanced and mingled the gap between the academic learning and the real world application. Children buildup their leadership qualities, enrich their hobbies, and make their personal development with active participation. Our Language club, Math club, and Cultural club are chosen by our students from Grade I to Grade XII depending upon their interests.

Club President, Vice President, Secretary, and Assistant Secretary for each Club is selected after an Interview process with our Honorable Principal and some admirable esteemed teachers. Students take initiative, share their ideas, and enjoy learning from each other during club periods with the guidance of teachers

NATIONAL CADET CORPS (NCC)

We are one of the recommended CBSE affiliated schools to initiate Voluntary NCC training on a regular basis. Children are rewarded with certificates after completion of training period. NCC helps to develop character, discipline, leadership, and dedication, towards the service of our Nation. Students are trained in Shooting, Drilling, Physical fitness, Map reading, First aid, Camp training, and Sailing. NCC helps in overall personality development with an opportunity of getting preferences to the top colleges, and Universities all across the country. Reservation in state governmental jobs, and reflective preference in the armed forces.

We are proud to have the prestigious organization National Cadet Corps (NCC) in our school that transforms students into disciplined, confident, and responsible individuals with invaluable skills for teamwork, resilience, time management, and preparing to face future challenges in any career path.

SCHOOL HOUSES

We have Four School Houses – AGNI (Orange), PRITHVI (Green), VAYU (Yellow), and JAL (blue). School students compete under these four colored houses with their separate flags. All the students grouped in different houses from Std. III to XII have the opportunity to participate in house activities such as Debate, Dramatics, Quiz competition, Recitation, Dance, Music, Art & Craft, Calligraphy, Fancy dress, etc. as and when conducted by the School.

Horse Riding

Basketball

Football

Celebration of Festival

India is a land of diversity. We are blessed to enjoy here various festivals with fervor. Children of our school celebrates – Holi, Navratri, Garbah, Baisakhi, Lohri, Janmasthanmi, Ganesh chaturthi, Dussehra, Diwali, with Cultural programs and spiritual feels.

School Life

at U. S. Ostwal International School

Cultural Festivals

All festivals and special days are celebrated in our school with full enthusiasm and excitement throughout the year. Our main objective of celebrating investiture ceremony, Bal Ramayan, Annual Sports Day, Farewell etc is not to showcase its tradition and culture but to form greatest and strongest of relationship for life.

Our Green Pledge

At USOIS we understand, appreciate and value our green gold (ENVIRONMENT} To ensure our students become global green citizens, they are sensitized through the golden rules of "Practice what we preach" of the 3R's Reduce, Reuse and Recycle.

Annual Day

A magical journey where imagination takes wings and creativity backdrop for our budding actors to display their acting, and dancing skills. The themes vary each year to make it interesting and entertaining from Showcasing student talents through grand performances .

USOIS Students Experiential Learnings

Experiential is a philosophy and methodology where we educators purposefully engage our students in direct experiential learning through work integrated projects, travel based learning, undergraduate research and scholarly projects. Students develop integrity, and patience, through experiential Learning. They carry in future good memories of togetherness and fellow-feeling through this learning method.

Parent Involvement

Regular PTMs

We conduct often parent- teacher meetings to discuss students progress and concerns. Parents are welcome to school from time to time to solve problems faced by students and parents regarding academics. With both parents & teachers joint effort we can take Education at its height. Parents are invited to school campus to witness their children's performance on Children's Day, Parents Day, Grandparents Day, Sports Day and Annual Day and Fair fests. They become overwhelmed to witness the amazing communication skills, presentation of their wards in Science exhibitions, and performing on stage with confidence.

Volunteer Opportunities

Parents feel overwhelmed to witness the amazing communication & presentation skills of their wards They feel so emotional to see their children performing on stage with marvelous confidence .To keep these emotions and affection in mind from Parents –children side we invite parents to school campus on different occasions and events like – Children's Day, Parents Day, Grand Parents Day, Sports Day etc.
